ROSMARINO

An experience of Italy in Borgholm.

We are an Italian restaurant and pizzeria in the heart of Borgholm where the love of food, the art of cooking and the Italian atmosphere is the most important thing for us.

At Rosmarino, we carefully select our suppliers and Italian ingredients to be able to offer a genuine experience of Italian specialties cooked on a lava stone grill, desserts and Italian wines.

We can offer a unique pizza experience - authentic Neapolitan pizza, which is baked with Tipo 00 flour at 500° in an Italian pizza oven, all according to the original recipe from the pizza maker birthplace Naples.

We at Rosmarino wish you a lovely evening for all the senses.
